Exhibitors who have met the pre-entry deadline may enter additional classes at the Regional Championship Show at the regular class fee plus a post-entry flat fee of \$10 per horse regardless of the number of classes post-entered. Added class entries must be made in the horse show office at least four (4) classes in advance of the class to be entered. Note: Exhibitors post entering at the show must have **original** AMHA registration papers (or a **color copy**) for all horses being entered to present to the Show Secretary for inspection.

The substitution fee is a flat \$10.00 per owner regardless of the number of classes substituted. **After close of entries, class scratches will not be refunded. If a horse is scratched from the entire show with a veterinarian certificate (see “refunds”), a refund may be requested, but a \$20.00 scratch fee will be charged.**

NOTE: Exhibitors are encouraged to make sure their horse(s) are entered in the correct classes. Class numbers of the classes entered on the entry blank will be listed on the back of each horse’s back number. Exhibitors should report any discrepancies to the show office as soon as possible.

Senior Stallions

All senior stallions must have an Official Certificate of Veterinary Inspection for Cryptorchidism or Monorchidism. If you have not sent your certificate to the AMHA office prior to sending in your entry, a certificate must accompany the entry and will be placed on file.

Note to Trainers

All of your clients’ entries must be mailed together and must have a check or credit card payment with their entries. It is your responsibility to be sure you have included these fees with your clients’ entries. Do not ask them to send a separate check or call the office with their credit card number. A check must be attached to the entries or a credit card number placed on the entry form.

Only clients who have paid fees will be included in the stall assignments. Those entries received without payment will not be included in the stall assignments.

Stalling

All horses must be stabled and in assigned stalls. Showing from your trailer will not be permitted. **Priority in stabling will be based on postmark of entry.** The Show Manager and Show Secretary will assign stalls as entries are received. Stall assignments will be assigned as

close to the order of receipt of entry as possible. Shavings are available on the grounds. No outside shavings are allowed at the Eastern or Central or Western.

Exhibitors who wish to be stalled together must submit stall requests and entries together in one envelope. If entries are emailed, all exhibitors wishing to be stalled together must email entries at one time. THERE WILL BE NO EXCEPTIONS.

Stalls for Exhibitors with Special Needs

Exhibitors with special needs, please note your stabling needs by checking the “request box” on the entry form—**only exhibitors who have a permanent physical need will be given special consideration**. Trainer’s horses, other than those belonging to special needs clients, will not be stalled in the special needs stabling area.

Refunds

After the close of entries, there will be **no refunds on stall fees or late fees**. There will be no refunds on entry fees after the show has begun with the exception of substitutions and vet scratches. All requests for refunds must be made in writing via email or mail to the AMHA office (val@amha.org). Phone calls, texts, and social media messages DO NOT constitute a written request. Refunds for entry fees will **only** be made with a veterinarian certificate stating the reason for the horse not being able to show. This certificate must be received in the Show Office during the show. **A veterinarian certificate will not be accepted after the show is over.** If a horse participates in any classes before withdrawing, and the Show Office has received proper veterinary documentation, the horse will be scratched from ALL remaining classes and a refund will be given on those classes. Refunds will not be made prior to or during the show and a \$20.00 scratch fee will be deducted from all refunds. Approved refunds will be processed from the AMHA National Office within 30 days after the conclusion of the show. Refunds will be made via the payment method originally used. Any disputed credit card charges, ACH, or checks will be treated as insufficient funds by AMHA and subject to additional bank charges and/or disciplinary action per the AMHA rule book (Rules & Regulations 133).

Returned Checks

Checks returned by the bank, for any reason, are regarded as a most serious offense and will be handled according to the following procedure: a 10% penalty (a minimum of \$50.00) will be assessed for every returned check. Exhibitors with an outstanding balance will not be allowed to show. A returned check or denied credit card given at the show will be given ten days to be paid in full with cash or cash equivalent.

Health Requirements

All horses must be accompanied by proper health certificates when traveling to the Regional Championship Shows. Health certificates will be checked prior to issuing exhibitor show packets in the Show Office. All horses must be accompanied by a negative EIA test (Coggins Test) within twelve months as well as health papers as required by the hosting state. Be sure to check with your veterinarian on the requirements or contact show management. All owners should make themselves aware of any special equine health alerts or quarantines in their area.

NO EARLY ARRIVALS WILL BE ALLOWED BEFORE 12 NOON ON WEDNESDAY. Due to facility policies and insurance constraints there will be no exceptions to this policy.

Two-minute Gate

The two-minute gate rule (GR-045B) will be followed.

Order of Go

At the discretion of the management of the World Championship and Regional Championship Shows, random go orders may be generated by the computer for judging any classes, both performance and halter. Reference: WS-027.

Measuring

All horses must be measured before entering the ring. Yearlings, Two-Year-Olds and Senior horses will receive a measurement card verifying their Regional Championship Height measurement which will be valid for the 2023 AMHA World Championship Show. Horses with a Regional Championship measurement card will not need to be re-measured at the 2023 AMHA World Championship Show, however, said horses could have their height protested at the World Show and should have their horses trimmed accordingly.

Measuring Policies

- AMHA may video all measuring
- After the horse is set up for measuring by the handler, said handler may not touch horse, i.e. stretching head up/forward; moving feet; touching back or pressing down on any part of the back until the measurer removed the measuring stick. Ref. GR-020-E.
- The Official Measurer will not attempt to measure the horse until the handler has set the horse per Show Rule GR-020, and is positioned near the horse, in a kneeling or standing position, not touching the horse with any part of his/her body, and advises the measurer

that the horse is ready to be measured. The Official Measurer will then attempt to measure the horse. During the measuring process, if the handler touches the horse, the attempt to measure will be stopped, and the handler will be advised the horse cannot be touched during the measuring process.

- Also present at measuring may be an AMHA measuring observer who will be responsible for viewing all measuring and informing measurer of any problems with the stance of the horse being measured.

Show Rules Clarification of GR-050 Protests:

An AMHA horse that does not measure within required height constraints for its age group at a show cannot be protested in an attempt for further measurement to enter the show. GR-050 pertains to horses in a show and does not apply to horses that do not meet qualification. Under GR-050 horses that have qualified and been accepted in a show can only be protested one time, per show, for a height challenge.

Any disputes arising at an AMHA Regional event shall be adjudicated by Show Management, Show Stewards, the Show Rules Committee and/or Directors present. Any disrespect of person arising from a dispute will not be tolerated per **Rules & Regulations 132 and Show Rule GR-045 G** and could result in suspension. While adjudicating and once a ruling on the dispute has been made, any exhibitor continuing to malign the AMHA via social media, disrespectful behavior, etc. will be considered to be engaging in **Rules & Regulations 135 Intent To Malign** and may be subject to disciplinary action which may include fines, suspension or expulsion.

Important Rule

For identification, either the original or a **color** photocopy of both sides of each horse's registration papers must be presented to the official measurer at the time of measuring or the horse will not be measured and cannot compete at the Regional Championship Show. **AMHA Show Letters will not be accepted.**

Measuring officials will be present for measuring on:

Western, Central & Eastern

Thursday, move-in day – 10:00 a.m. to 8:00 p.m.

Friday - 7:15 a.m. to 8:00 a.m.

Saturday – 7:15 a.m. to 8:00 a.m.

All horses must be measured during these hours. In an emergency, if it is impossible for you to arrive for measuring at the established times, contact the Show Manager for measuring consideration. Refer to sections GR-020 and WS-028 in the current AMHA Official Rule Book for measuring information. A measuring stick as outlined in GR-020-B will be used for measuring.

Hardship Measuring

Required inspection and measuring of horses being hardshipped into the American Miniature Horse Association registry will take place on Friday and Saturday evenings in the designated measuring area 30 minutes after the completion of the last class of the show day. Owners of

these horses should notify show management of their intent to request a hardship measurement so that appointments can be scheduled.

Multiple Hitch Classes—Judging Time

A time estimate for judging the multiple hitch classes will be made each day they are scheduled. These classes will be judged as close to this time as possible and may be moved within the class schedule.

Judges and Judging System

The AMHA Regional Championship Shows will be judged by a panel of three AMHA carded judges, all whom were approved by the Licensed Officials Committee. All three of the judges' cards/scores will be used to determine class winners. Three sets of points will be awarded. Points will be tabulated as set forth in PA-015 in the current AMHA Official Rule Book. Total points earned at the AMHA Regional Championship Shows WILL BE valid for the 2023 World Championship Show qualification and for all AMHA titles and awards.

Top Ten

ALL horses placing in the TOP TEN in their class at the 2023 Regional Championship Show, regardless of the number shown and in the same classes as offered at the World Championship Show, will AUTOMATICALLY qualify for the same class at the 2023 AMHA World Championship Show.

Awards

Classes will be judged and the Top Ten horses/exhibitors will be announced. The Champion (first place) and Reserve Champion (second place) will receive a championship rosette. The horses/exhibitors placing third through tenth will receive a rosette ribbon.

Grand Champions and Reserve Grand Champions will be selected for Senior Stallion, Senior Mare, Senior Gelding, Junior Stallion, Junior Mare, Junior Gelding, Stock-Type Horse, Single Pleasure Driving Horse, Country Pleasure Driving Horse, Classic Pleasure Driving Horse, Roadster Horse, Amateur Mare, Amateur Stallion, Amateur Gelding and Amateur Stock-Type. The Grand Champions and Reserve Champions will receive a special award.

Special Awards

Super Amateur, High Point Youths, and Best All-Around Horse Awards will be tallied and announced at the Championship Shows. These special awards will be calculated as follows:

High Point Youth/One Horse Combination**

Points will be compiled from all Youth Classes (exception - Youth Costume is not included) and an award presented to the overall High Point Youth/One Horse Combination Ages 7 & Under, 8-12 & 13-18 Years. A youth can enter more than one combination, but each combination will be considered separately.

High Point Youth/Multiple Horses**

Points will be compiled from all Youth Classes (exception - Youth Costume is not included) and an award presented to the overall High Point Youth exhibiting Multiple Horses. If a youth

exhibits more than one horse in a class (i.e. Youth Jumper) only points from the highest placing horse in each class will be used to calculate the award.

High Point YOTE

Points will be compiled from all YOTE Classes and an award presented to the overall High Point YOTE.

****SPECIAL YOUTH EXHIBITORS NOTE**

Each youth is limited to only one of the above awards per show. In the event a youth earns more than one of the above awards during a show, the sole title to be awarded will be determined in the order of High Point Youth/One Horse Combination, High Point Youth/Multiple Horses and High Point YOTE. Once a youth has been identified as an award winner, that youth is removed from the rankings and all of the remaining youth move up in eligibility for the remaining awards.

Best All-Around Horse

Competition will be limited to a maximum of five classes, one of which must be the respective halter/height/age class plus up to four of the following OPEN classes: Obstacle Driving, Roadster, Halter Obstacle, Single Pleasure Driving, Country Pleasure Driving, Classic Pleasure Driving, Hunter, Jumper, and Liberty. The exhibitor must designate the five classes prior to showing.

Super Amateur (one exhibitor/one horse)

Competition will be limited to a maximum of five classes, one of which must be the respective Amateur Halter Class (Stallion, Mare, Gelding, AOTE or Stock) plus up to four of the following AMATEUR or AOTE classes: Showmanship, Halter Obstacle, Hunter, Jumper, Roadster, Obstacle Driving, Country Pleasure Driving, Classic Pleasure Driving, Single Pleasure Driving and Versatility. The exhibitor must designate the five classes prior to showing. The Super Amateur Award will be given to the Amateur who accumulated the most points in their five designated classes. All Amateurs vying for the Super Amateur Award agree to be present to accept the award.

AOTE High Point

Two awards will be given at each Regional Championship Show for the following: One to the AOTE exhibitor with the most points in AOTE halter classes and one to the AOTE exhibitor with the most points in performance classes. AOTE High Point Forms must be completed and turned into the show office after the last AOTE Halter Class (for halter high point) or the last AOTE Performance Class (for performance high point) of the show. Exhibitors must calculate the points they have earned and include this information on the form. Only AOTE exhibitors with nomination forms will be considered. The forms will be available in the Show Office. The AOTE Committee would like to thank Joseph & Amanda Benton for sponsoring the Eastern High Point Halter & Performance; Brandon & Dustie Barnett for sponsoring Central High Point Halter; Leigh Murray for sponsoring Central High Point Performance, and Paul & Ailene Tarap for sponsoring Western High Point Halter & Performance! Your support is so appreciated!!

Ultimate Gelding Regional Awards

Regional Champion awards will be given to the high point nominated gelding in the following divisions: Youth/YOTE; Amateur/AOTE; Open. Gelding must be nominated prior to the horse's first class at the Regional Championship Show. Details of this program and a nomination form are available on the AMHA website at www.amha.org.

Special Award Ties and Scoring

In calculating all of these Special Awards, should ties occur, the following procedure will be followed. The first tiebreaker will be to determine the horse/exhibitor defeating the most competitors. If a tie still results from this calculation, then the next tiebreaker will be to determine which horse/exhibitor placed highest in their respective halter class. Should a tie still result, a coin will be tossed by the exhibitors.

In scoring all special awards, the following computer point system will be used:

Entries in classes with 10 or more entries - first receives 10 points, second receives 9 points, third receives 8 points, etc.

Entries in classes with less than 10 entries - first receives number of points based on total number of entries shown, etc. (Example - class with only seven entries shown - first receives 7 points, second receives 6 points, third receives 5 points, etc.).
